RAY 2018 - Frankfurt and the Rhine-Main region celebrate photography for the third time

The international photography triennial **RAY Fotografieprojekte Frankfurt/RheinMain** returns between **24 May and 9 September 2018**. After the first successful editions RAY 2012 and RAY 2015 the exceptional qualities of the institutions of this region unite again for the third time. This unique collaboration emphasises the outstanding potential of contemporary photography and related media in regional collections, exhibitions and educational institutions and will once again showcase recent new productions. For the first time, RAY will open with a festival kick-off. From **24 May to 27 May** photography fans, international experts of the medium as well as artists are invited to Frankfurt to explore photography and topics surrounding the **RAY 2018** theme "Extreme". With over ten exhibition spaces in Frankfurt and the Rhine-Main region RAY 2018 will offer a summer of intriguing photographic highlights.
